Dear Dr. Wheelon:

I have received an invitation to attend the International High Energy Physics Conference at Dubna in the USSR from August 5 to 15, 1964. Due to my high level clearances, I am requesting formal written permission to attend. Please notify me if any formal procedure is required on my part. If none, please send me a letter informing me that all is O.K. for me to attend this conference.

Sincerely yours,

Sidney David Drell
